

## *2020 Senior Golf League*

### **Welcome Letter**

**Thank you** for your continued interest in our Senior Golf League! We hope you are having a great winter so far. Hopefully, this “golf league letter” helps you shake some winter cabin fever and reminds you that spring will be here soon!

If you plan to participate in our Senior Golf League this summer, **please return** the enclosed registration form **by March 15<sup>th</sup>**. Having the registration forms back to us ASAP allows us to be better organized and thus serve you and the league better! If you are not going to play in the league this summer, a quick call or email is also much appreciated so we can know where we might have openings. If you know that you will have an opening in your group, please note that as well. We always have inquires for new players and it is helpful to know where we stand.

**Good News!** For 2020, we are going to have price freeze on daily green fees. Season Tickets are going up slightly; however, join before February 15<sup>th</sup> and you can have your choice of double Loyalty Reward points or 2019 pricing! We also welcome Tom Wiebusch back as Head Golf Professional for 2020 (and beyond). Tom is excited to be back and looks forward to bringing back the “Beat the Pro” event on hole #3.

A couple **golf course updates**: Pheasant Acres continues to reinvest in several areas of the course to improve your experience. We are looking forward to having a new boardwalk bridge on #13. Sorry, no more roller coaster rides as you traverse over the marshland. We will also be renovating the staging area near the clubhouse and putting greens to have a better traffic flow and function.

Thanks! See you soon!

The Pheasant Acres Management Team
